

Discussion, Consideration and Possible Action Regarding Program Year 2019 Adult Education Participant Served Targets

1 **Introduction** –The Commission approved a set of initial Adult Education & Literacy (AEL)
2 PY19 targets for Participants Served on August 27, 2019, based on negotiations with grantees
3 conducted over the prior several weeks. However, at that time, we recommended that the
4 agency allow grantees to request renegotiation of these targets. This was in consideration
5 that demands can change over the year and that if we want local providers to be responsive
6 to local needs, it made sense to account for changes in those needs or plans that don't quite
7 materialize.

8 Staff presented the renegotiated targets for 11 AEL Grantees which were approved on March
9 3, 2020. Unfortunately, staff neglected to include a 12 grantee's renegotiated targets:
10 Amarillo College.

11 **Request for Commission Actions** – Staff request Commission approval of PY19 AEL
12 Grantee Participants Served Targets for Amarillo College renegotiated with TWC staff earlier
13 this year and listed below:

Amarillo College	EL Civics	IET- EL Civics	Intensive	Non-ELC IET	Total
Original Targets	118	50	68	122	1,378
Renegotiated Targets	248	85	90	210	995
Difference	130	35	22	88	-383
